

This is a new addition to our spectrum of [Joomla! news sliders](#) . As you can see the effects are spectacular and you can choose from 4 mosaic styles. Module is very flexible and it can be adapted to any web concept.

Please note that this module is available to [Club members](#) only.

Available mosaic styles:

- Mosaic mix - all 3 styles combined
- Random boxes
- Diagonal reversed
- Swirl reversed
-

Additional module settings :

Parameters
